

MST Release Notes

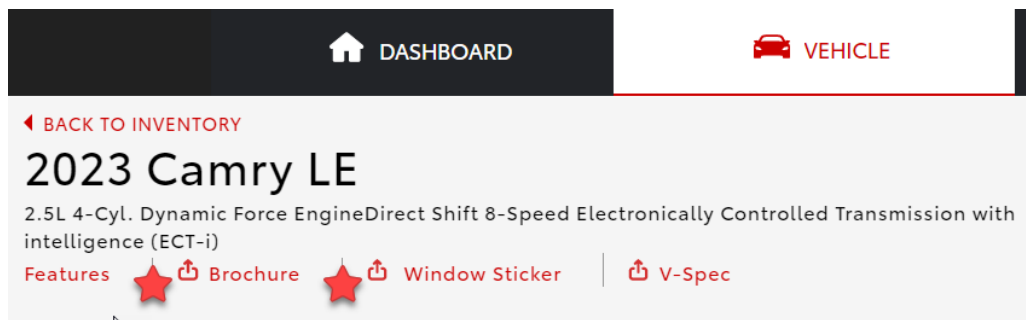

Build: April 26, 2023

The following enhancements will be implemented in the April 26th Mobile Sales Tool – Showroom Release.

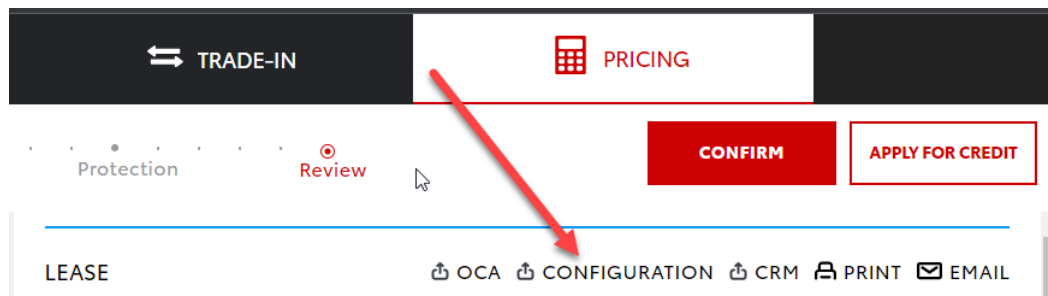

MST Enhancements

Improvements to Sharing

1. There have been improvements to the Sharing Functionality. You can now share window stickers and brochures on new vehicles in addition to V-Spec and Configuration from the Vehicle Details page.
 - a. Clicking the word 'Brochure' or 'Window Sticker' will open a new tab.
 - b. Clicking the share icon next to Brochure or Window Sticker will open the share modal where you can text, e-mail or copy the URL.

- c. Users will now see the share icon on the review page in addition to the Vehicle Details Page to eliminate the need to return to the Vehicle Details Page to share.

Dealer Comments/Descriptions

1. Users will now be able to view dealer specific comments on certified and used vehicles if they have been provided from the dealer's Used Car Inventory Management System. The comments/description can be viewed by clicking the Description link on the Vehicle Details Page.

Certified and Used Vehicle List Page

Users will now see Certified and Used vehicles available to filter at the same time when searching inventory. If you check the Certified or Used check box, you will be brought to the Vehicle List Page where you can select Certified, Used or Both and filter results to align with the on-line experience.

MST Release Notes

Build: April 26, 2023

- Rate overrides sent from Console will no longer be reset when the downpayment amount has been adjusted in MST.
- An issue that was preventing sharing via Text due to character limit has been resolved.
