

The Mobile Sales Tool (MST) Release on Feb 21st implements the following improvements

Payment Grid Enhancements

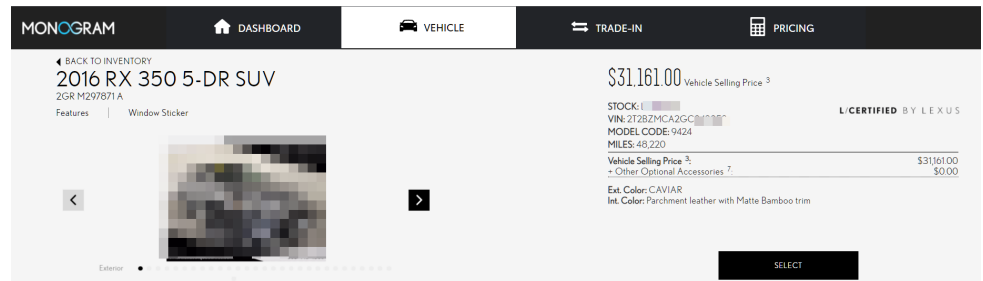

New Badges for Coming Soon, Certified, Pre-owned Inventory

Look for changes throughout MST to display changed bages on different types of inventory. The varied badges will provide additional visual cues in the application to identify what kind of inventory is displayed.

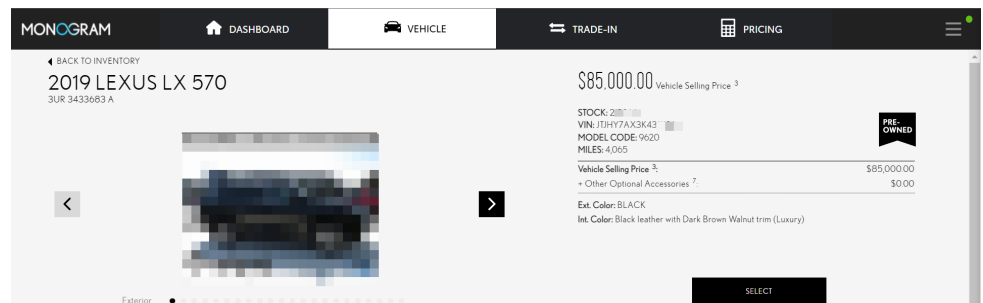

New Vehicle that is in another dealer's inventory OR in A or F status

Certified Vehicle

Pre-owned Vehicle

Bug Fixes

Intermittent Issue with Credit Tier Selection

An issue existed where occasionally the Info page of MST would not display credit tiers. This has been corrected.
