

MST-C Release Notes

Build: April 26, 2023

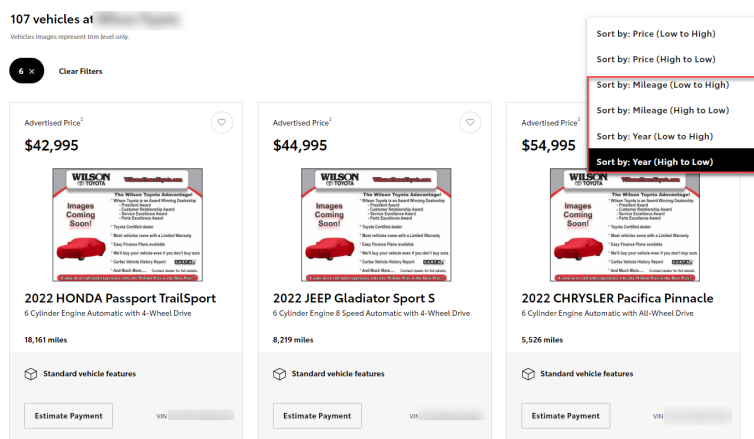

The following improvements have been slated for the April 26, 2023 MST-C release.

MST-C Changes

Ability to Sort by Mileage and Year

Customers will now have the ability to sort certified and used vehicles on the Vehicle Listing Page by mileage and year, both low to high and high to low. This sort order will also be retained when a customer navigates to an interested vehicle and then back to the Vehicle Listing Page.

Bug Fixes

MST-C Image Updates

An update has been made to apply uniform logic for used, certified and new vehicles in order to avoid issues with image rendering.

Share Configuration Update

An update has been made to address a reported issue where trade-in valuation was not being applied to a write-up that is shared via the share configuration functionality.
