

MST-C Release Notes

Build: February 20, 2024

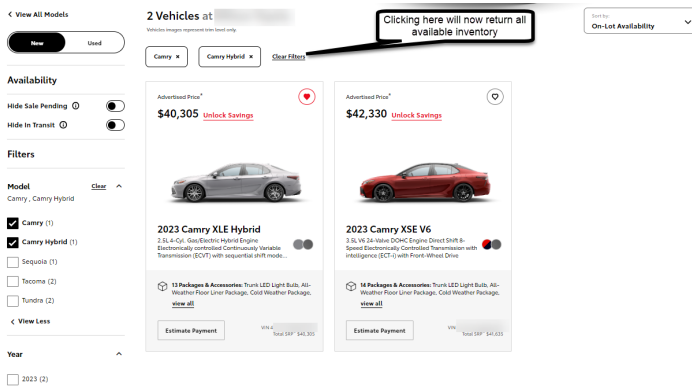

The following improvements have been slated for the February MST-C release.

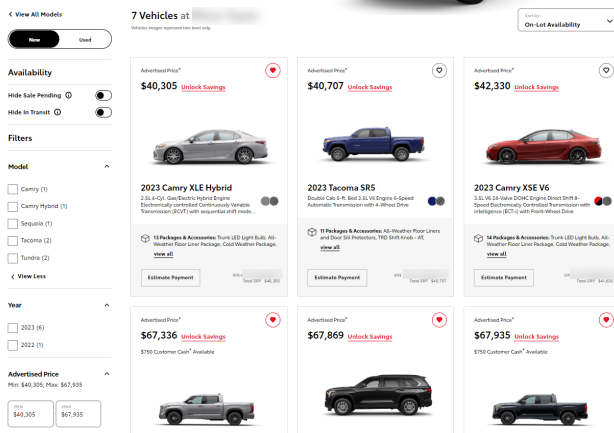

MST-C Changes

Clearing Filters Update

When a customer has selected options to filter New Vehicle inventory on the VLP and wants to clear out the previously selected filters, clicking on the Clear Filters CTA will now present the customer with all of the dealer's available inventory versus returning the customer to the Model Selection Page.

After clicking 'Clear Filters'
