

Nov Release Notes

Build: Nov 6, 2023

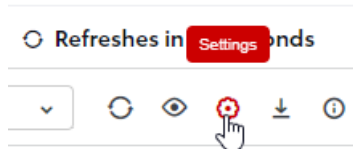

The following enhancements will be implemented in the November 6th MST and Console Release:

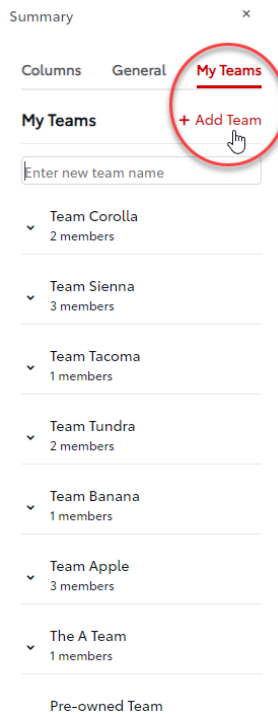

Console Updates

We have enhanced the 'My Teams' feature to allow creation of up to 15 Sales Teams to increase efficiency in filtering write-ups by team members.

As a reminder, 'My Teams' can be accessed via the Settings icon.

Select 'My Teams' in the Settings View, then select 'Add Team' to enter a new team name. Press enter to create the additional team and add members.

Bug Fixes & Additional Enhancements

- Payment Grid selections will be retained after adding accessories.
- Leading and Trailing Spaces will be trimmed to eliminate errors in Customer Name matching.
- An issue regarding the loading of Protection Products was resolved.
- Misc Bug Fixes have been addressed.
